

MOTION BY SUPERVISOR MARK RIDLEY-THOMAS

January 13, 2015

APPOINTMENT TO THE SOUTH COAST AIR QUALITY MANAGEMENT DISTRICT GOVERNING BOARD

The South Coast Air Quality Management District (SCAQMD) is the air pollution control agency for the urban areas of Los Angeles, Riverside, and San Bernardino Counties as well as all of Orange County. The SCAQMD encompasses 10,743 square miles and serves over 16.8 million people. The region covered by the SCAQMD is one of the largest urban regions in the United States and is also one of the smoggiest.

Mayor Michael D. Antonovich has represented Los Angeles County on the SCAQMD Governing Board since January 1988. In his 26 years of continuous service he has promoted clean fuel alternatives and cutting edge technologies to reduce mobile sources of emissions and has championed the use of free market incentives for companies to cost effectively reduce emissions from stationary sources.

Mayor Antonovich's term on the SCAQMD Governing Board is set to expire on January 15, 2015. The Los Angeles County Board of Supervisors should reappoint Mayor Antonovich to the SCAQMD Governing Board so that he may continue to represent the residents, employers and employees of Los Angeles County through the expiration of his term with the Los Angeles County Board of Supervisors in December, 2016.

I THEREFORE MOVE THAT THE BOARD OF SUPERVISORS:

Reappoint Mayor Michael D. Antonovich as the Los Angeles County representative on the South Coast Air Quality Management District Governing Board, effective January 15, 2015 through December 5, 2016.
